

Try Tennis at Moorgate

Come along and find out what you could be enjoying if you take up our **half price offer for new adult members** - bring your racquet or we'll lend you one. Monday nights are our club night for adults and Friday for Juniors so come along to either and there should be someone about to tell you about our club.

We've something for everyone

- minis, juniors, adults and veterans
- coaching for complete beginners to rising stars of all ages
- friendly social tennis and club competitions
- a refuge from the Wimbledon rush at the park

If you'd like to get back into tennis or start from scratch, we're the club for you!

We're at the top of Moorgate Avenue, turn in opposite the Brecon Hotel.
